

**Priority question for written answer P-000758/2020  
to the Commission**

Rule 138

**José Manuel Fernandes, Paulo Rangel, Maria da Graça Carvalho**

Subject: Expansion of the Lisbon Metro network

Through a decision of 23 January 2020, CIC Portugal 2020 ratified the PO SEUR Management Commission's decision giving the green light to the Lisbon Metro Expansion Project, for which EUR 83 000 000 in cohesion fund support is being sought.

Under the terms of Article 100 et seq. of Regulation (EU) No 1303/2013 of 17 December, the European Commission is required to assess the application on the basis of all the relevant information.

In view of the above:

Has the European Commission received any information on the Lisbon Metro Expansion Project?

If so, has the Commission already reached a decision on the basis of that information?
